ROSEBAY SPA

Walk through a starlit canyon to our secret garden

The Korean Rosebay flower represents the strength and beauty of Jeju Island.

Three leaves whorled at the tip of the branch represent Samda, Sammu, Sambo and Samryu - the pride of Jeju, while also symbolizing the bright spirit of the inhabitants towards solidarity, order, and peaceful development.

Just as Sambo of the Rosebay flower represents the three treasures of Jeju, the Rosebay Spa also embodies three healing treasures:

- Treasures through healing breath and scent
- Treasures from the island's gardens and waters
- Treasures through healing sound and vibration

These three treasures combined in personalized treatments, fuses the latest in luxury therapies with technical skin consultations to achieve instant results.

Indulge in our all-inclusive luxury treatment rooms to immerse yourself in the moment, and experience a peaceful respite to outside stresses.
